Hi Majd,

Here is the meeting info for the GenX case.

Rose - Majd will be going forward with this case as the original engineer. I know Majd put a lot of work and analysis into the engineering report.

Maria, I understand that we should be inviting someone from the state and OECA. Who should that be? Also, is there anyone else you want invited? I have contacted the Company and said that we needed to have the call this week, but my contact Dawn Clark had to talk with others involved in the call(s) last week. I have relayed this information to Greg S. I thought that I should send this out so that there's place and time holders.

I will set up a premeeting at this point at 10:30 AM on Wed. Greg M. and Toni are out today.
Rose
